Founded in 1995, under the aegis of the erstwhile and the rich tradition of one of the oldest and value-based Educational Trusts in the city of Mumbai, the South India Education Society (SIES – since 1932), the SIES College of Management Studies, is located in the educational hub of Nerul, Navi Mumbai with a green and sprawling wi-fi campus, all equipped with the best physical infrastructure, befitting a modern B-school.

Being the proud owners of an educational culture which facilitates our student leaders to transition into globally responsible citizens, we at SIES College of Management Studies (SIESCOMS) in 2015-16, accomplish twenty long years of consistency in providing World Class Quality Management Education with Indian Ethos and Values, to all budding Management professionals.

With a humble beginning of a single full time program of MMS, affiliated to the University of Mumbai, SIESCOMS today has expanded its wings to six full time AICTE programs of PGDM, PGDM - Pharmaceutical Management, PGDM - Biotechnology Management, MMS, MCA, PGDM- AIMA and one weekend programs of AIMA - PGDM for working executives. Offering specializations in Marketing, Finance, Human Resources, Operations and Systems, these courses groom our students to take on the corporate mantle with an unmatched elegance.
and sophistication, unseen in the industry.

Ranked among the top B-Schools in all the well known surveys of 2014 by Business World, Outlook, The WEEK, Business India, Times Group, Business Baron, and Business Today to name a few, the SIES College of Management Studies boasts of alumni lineage spread across the globe, in senior positions, encompassing all business sectors.

The SIES College of Management Studies strongly believes in inculcating a robust sense of research in its students. As a part of this endeavor, many research journals and magazines form its palate of studies. This includes the SIES Journal of Management, the Journal of Pharma - Bio Management, the Journal of Information Technology, Prerna, many working papers, the Journal of Idea Research, and the monthly SIESCOMS Newsletter.

Meeting the current century demand of socially sensitive leaders, SIESCOMS imbibes a vigorous sense of social responsibility in its students, through the mandatory project in the NGO sector.

Students form the crux of SIESCOMS. The SIESCOMS Student Council, a unilaterally elected body of students, represents the entire student’s community of SIESCOMS. They stand for the student’s viewpoints, ideas and initiatives in all the business decisions of the college.

We partner with the best in the industry for our Corporate Conferences, Seminars, Programs and most of all, the students ‘Placements’. The elite placement record of the past twenty years in different sectors of business is being endorsed strongly by our Corporate Connoisseurs. The humble beginning of roughly 18 to 20 recruiters in 1997, has today reached a prestigious figure of 300 National and International recruiters for the current batch of 14-15 placements. Not to mention the tremendous tri-fold figure of summer placements. Interestingly, 75% of these companies are repeat recruiters and 25% are the new players every year. Another noteworthy achievement is that, most of the Premium Recruiters have been associated with SIESCOMS, consistently for more than a decade.

Harboring a vision ‘to be one of the preferred Business Schools in India’, we at SIESCOMS continually strive to achieve higher milestones to meet the expectations of our core stakeholders of corporate, students and parents.

We welcome all to be part of this illustrious and rich journey.

’No road is long enough with good company’. For any associations or partnerships, please get in touch with us. We shall be happy to serve you.
